

Countries and Capitals with Currency and Language

- There were 193 countries which were members of the United Nation with the inclusion of South Sudan in 2000.
- Two countries which were not a member of UN and counted as Observer state. They are Vatican City and Palestine.
 - So, this number becomes **195 recognized official countries**.
- Several territories that work fully as a sovereign country but are claimed by other countries to be their regions or provinces such as *Taiwan which is claimed by China*.
- **Kosovo gained independence from Serbia** in 2008 and is still claimed by Serbia.
- The list of territories which do not have the status of countries (claimed by others) also includes Puerto Rico, Bermuda, Greenland, Western Sahara, and members of the UK like England, Ireland, Scotland, and Wales.
